# **COWLITZ COUNTY TOURISM GRANT**

## **PURPOSE**

The purpose of the Cowlitz County Tourism Large Grant is to support projects that encourage tourism activities in Cowlitz County. Eligibility of sponsors and projects is defined broadly to encourage wide participation and innovative proposals.

The source of the funds is the County's share of lodging taxes collected on hotel and motel room rentals within Cowlitz County.

Cowlitz County Tourism administers this grant program and staff will provide technical assistance. Please call 360.577.3137 for help.

## **SELECTION PROCESS**

When the solicitation period closes, staff will review applications for completeness and eligibility. Qualifying applications will then be evaluated by the County's Lodging Tax Advisory Committee (LTAC), which will make funding recommendations to the County. The Board of County Commissioners will make the final decision on approval and funding levels. Staff will then consult with applicants of approved projects to develop contracts. When both the applicant and the County sign the contract, staff will notify sponsors to proceed.

It is very important that applicants are aware of the following.

- All contracts are reimbursement-based, i.e. the applicant must expend funds on approved items and then seek reimbursement under terms of the governing contract.
- No costs incurred prior to the county's signing of a contract for an approved project can be reimbursed.
- Only after a contract is issued is a project applicant authorized to begin incurring reimbursable costs.

### **PROJECT SUMMARY**

**In the space below, provide a concise, one paragraph summary of your proposed project and what tourism expansion objectives it will accomplish. If part of a larger project, please focus the majority of your answer on the specific element for which you are requesting funding.**

### **SCOPE OF PROJECT**

**Fully describe the project. Expand your summary paragraph from the previous page to address such issues as: what it is you wish to do; who will benefit, why and how; beginning and ending dates of your project; and what measures you will apply to evaluate its success. This section requires you to establish, in a clear and quantifiable way, that your project will sustain or enhance one or more aspects (to be identified by you) of tourism in Cowlitz County. Proposals from projects that can prove they will generate overnight stays are preferred.**

## **ECONOMIC IMPACT**

Because Cowlitz County operates the Hotel-Motel fund as an economic development tool, one of the key evaluation criteria for selecting a project for funding is its potential economic benefit. In addition, the County is required to report to the State on the numbers of visitors and the numbers of overnight stays generated by each project. Please indicate the anticipated economic impact of your project and, especially, its potential for generating visitors and overnight stays. Quantify your projections and indicate how you propose to verify your results. Remember, food and fuel purchases assist the local economy but do not contribute to the Hotel-Motel fund; the fund derives entirely from taxes on overnight lodging in the county. If your project will not result directly in overnight stays, try to demonstrate how its success may contribute to generating future overnight stays. An example might be a one-day festival you sponsor which, when combined with – and jointly marketed with – another project the following day which appealed to the same audience, would encourage visitors to spend the night and attend both projects. In this example, it would be important to discuss the timeframe and strategy for future implementation of an appropriate cooperative marketing campaign to link your one- day festival with the second one. Again, quantify your projections and explain the methodology by which you developed them.

### PROJECT BUDGET

Please detail the budget for your project. Remember that though the County can pay no personnel costs (wages, benefits, etc.), such costs are eligible as a portion of your matching portion. The County can pay a share of such costs as design and layout of printed materials, printing, and communications. Please specify whether your various match items will be either cash (C) or in-kind (I/K).

### BUDGET NARRATIVE

In the space below please offer any information which you feel may provide useful background on your proposed budget such as source and rate at which matching labor costs are calculated, numbers of promotional pieces to be produced, numbers of media ads to be placed, media outlets to be used, etc.
